

Maze

Name _____ Date _____

Time ____ min ____ sec

Answers

A square maze with a red path. The path starts at a red arrow on the left edge, enters the maze, and winds through various corridors and dead ends. It eventually exits the maze at the bottom right corner, where a blue arrow points to the right, indicating the exit. The maze is composed of black lines forming walls and a white background for the paths. The red path is a single continuous line that traces a specific route through the maze.
